

FREE PREVIEW SESSION

Are you planning your professional learning experiences for 2017-2018?

KASC can help!

In this free session designed for district leaders and principals, participants will:

- Experience sample activities from our latest research-based PD and SBDM workshops
- Examine workshop booklets and materials to help determine which KASC offerings are best suited for your school/district
- Leave with a complete list of KASC workshops and Do-It-Yourself sessions that are available for your purchase
- Browse through KASC products that help your school work smarter and more effectively

Two Sessions Available!

Participant feedback from recent workshops:

- *Thank you for the excellent training that KASC provided our entire district yesterday. We found the sessions well planned and meaningful. The trainers did a fantastic job. We already have plans for next steps.*
- *Good presentation! Applicable to all students!*
- *Love how we can take back the practical ideas & resources to share with our teachers!*
- *Excellent job at keeping me engaged!*

Even though the session is free, please pre-register to ensure we have enough materials for all participants.
